SUMMARY OF PROCEDURES FOR DONOR ADVISED FUNDS
JEWISH COMMUNITY FOUNDATION

1. CREATION OF A FUND

Any person may create a Donor Advised Fund by transferring assets to The Foundation under the terms of a letter agreement that states, among other things, the powers and duty of The Foundation and the duty of the Donor.

2. OWNERSHIP OF ASSETS IN A FUND

The Foundation owns the assets in each Donor Advised Fund outright and has complete control over them for the charitable purposes of The Foundation. The records of The Foundation, however, show the dollar value of the assets in each fund under a name designated by the Donor.

3. OPERATION OF A FUND

(A) The minimum starting value of a fund is \$5,000.

(B) The Foundation does not certify value of contributed assets. The Donor must deliver valuation acceptable to The Foundation.

(C) The Foundation has the right to reject the donation of assets not readily marketable or subject to liabilities. Examples of those assets are restricted stock, securities of closely held corporations, partnership interests, real estate, and notes secured by trust deeds or mortgages.

(D) The Donor does not have any power to restrict the absolute rights of The Foundation as owner of assets in the Donor Advised Fund to deal with or to use those assets for The Foundation's charitable purposes.

(E) INVESTMENT OF ASSETS

1. The Foundation shall at all times retain the full authority and control over the investment of the assets contributed to the fund. The Foundation will, however, ask the Donor to make recommendations regarding the investment of such assets, with investment managers selected by The Foundation's Investment Committee, and within guidelines established by such committee.

2. The Foundation may limit the amounts that may be invested in any particular investment alternative. The Foundation reserves the right to revise or revoke at any time, or to change investment objectives and policies of the fund without notice to the Donor, and without Donor's prior approval; and

3. There are market risks with respect to any investment and there can be no assurances.

(F) DISTRIBUTIONS FROM A FUND TO CHARITIES

The Donor has the power only to recommend distributions from the fund. The Foundation has the power to accept or reject recommendations from Donors. The Foundation has the duty, imposed by law, to make only those distributions that satisfy the guidelines it adopted to comply with the requirements of the Internal Revenue Code; The Foundation has the duty also to protect all Donor Advised Funds from disqualification. This protection is accomplished by strict compliance with Internal Revenue Code and the applicable regulations published by the Treasury Department of the United States Government.

Attached to this summary, as Exhibit A, is a list of charitable needs the Donor Advised Fund Committee uses in its decision as to approval or disapproval of recommendations made by Donors. The Committee has the power to change these guidelines and generally does so as it receives information from among others, the Legal Committee of The Foundation. These changes are prepared and published to assist Donors in maximizing the benefits to qualified charities from the Donor Advised Funds.

(G) LIMITATIONS ON DISTRIBUTION

- (1) The minimum amount of a distribution is \$100. Distributions may be made in lots of \$50.
- (2) Distribution may not be made to pay for or to discharge a legal obligation of any person. Examples are dues, tickets, meals, services, or merchandise.
- (3) The distribution must be consistent with the charitable purposes of the Jewish Community Foundation, as referenced in Exhibit A. The Donor Advised Fund Committee, meeting regularly, makes that determination as to each recommendation by Donors. But, the Committee, if requested by a Donor, shall investigate any recommendation to decide whether specific recommendation is consistent with these purposes. A Donor who disagrees with an adverse decision by the Committee may appeal that decision to the Executive Committee of The Foundation, and the decision of the Executive Committee is final.
- (4) Please note: All distributed checks will be mailed directly to the receiving charity from the Foundation. Donors may not personally deliver checks.

(H) EACH DISTRIBUTION FROM A FUND SHALL IDENTIFY THE DONOR UNLESS THE DONOR, IN WRITING, ASKS THAT DISTRIBUTION NOT LIST THE NAME OF THE DONOR.

4. STRUCTURE OF THE FOUNDATION

The Board of Trustees is the governing Board of The Foundation. The Chairman of The Foundation appoints committees who function subject to the authority of the Board. The management of The Foundation administers the activities of The Foundation.

All members of the Board and the committees of The Foundation are volunteers whose goal is to further the purposes of The Foundation, in the best interests of our community. They are therefore, sensitive to the needs and requirements of Donors who have created funds in The Foundation.

5. CONTINUITY OF FUNDS

When the privilege of the Donor to recommend distributions ends because of death or otherwise, that fund continues as part of the Permanent Legacy Fund of The Foundation, unless the Donor designates a successor(s) in writing on a Successor Appointment form or otherwise.

This Agreement shall be interpreted in a manner consistent with the foregoing intention and so as to conform to the requirements of the foregoing provisions of the Code and any regulations issued pursuant thereto. (NOTE: If funding with cash, please make check(s) payable to the Jewish Community Foundation)

**SUMMARY OF DONOR ADVISED FUND INVESTMENT PROGRAM
POLICIES AND ADMINISTRATIVE PROCEDURES**

1. MINIMUM FUND BALANCE

- Minimum balance: \$5,000.
- Minimum balance for Strategic Return Fund (SRF) option: \$50,000. Due to SRF monthly liquidity, donors with a DAF balance of \$50,000 or more must keep a minimum of 10% of the DAF's assets in The Foundation's Cash Pool to provide liquidity for grants and may allocate up to 90% of the DAF's assets to SRF. If the overall fund balance falls below \$50,000, The Foundation will fully divest from SRF.

2. MINIMUM ALLOCATION TO ANY MUTUAL FUND OPTION OR ISRAEL BONDS

- Must be at least \$5,000 for any mutual fund option.
- Must be at least \$5,000 (& multiples of \$500) for Floating Rate LIBOR Israel Bonds (must be held to maturity).
- Must be at least \$25,000 (& multiples of \$5,000) for Jubilee Israel Bonds (must be held to maturity).

3. CHANGE IN INVESTMENTS

In general, a donor may recommend a change in mutual fund options once a year during the first quarter of the calendar year.

4. GRANTS FROM FUNDS

Grants will be made from the Cash Pool. When the fund's cash is depleted, mutual fund or other investments will be liquidated to cover the grant plus an additional \$5,000.

**DONOR ADVISED FUND INVESTMENT PROGRAM
POLICIES AND ADMINISTRATIVE PROCEDURES**

1. Donor Advised Fund (DAF) assets will either be:
 - (a) invested solely in The Foundation's Cash Pool, or
 - (b) invested among one or more investment options approved by the Foundation's Investment Committee, in addition to being invested in the Foundation's Cash Pool.
2. Donors wishing to invest in one or more of the mutual fund options, Israel Bonds or Strategic Return Fund must fill out the recommendation form indicating their percentage allocation preferences.
3. Balances that are not invested in mutual fund options, Israel Bonds or Strategic Return Fund will continue to be invested in the Foundation's Cash Pool.
4. A minimum of 10% of a DAF's assets must remain in the Foundation's Cash Pool to provide liquidity for grants (unless The Foundation determines that grant activity requires a higher percentage balance).
5. An allocation to any investment option other than the Cash Pool must be the equivalent of or greater than \$5,000.
6. During the first quarter of each calendar year, DAF donors will be given an opportunity to advise The Foundation, in writing, of any changes in preferences for investments. Donors will be reminded of this opportunity annually and will receive a recommendation form with their December 31 statement. Recommendations will only apply to assets held in the DAF at the time the recommendation is received by The Foundation. Donors wishing to rebalance must complete this form annually.
7. Donors making contributions during the year of \$5,000 or more may submit a recommendation form indicating their preferences for investing the additional dollars contributed. All new contributions will be invested in the Foundation's Cash Pool unless such a recommendation form is received. Amounts contributed during the year of less than \$5,000 will be invested in the Foundation's Cash Pool.

8. When a recommendation is approved, it will be implemented as soon as practical. Purchases and sales of mutual fund investments and Strategic Return Fund are generally done on a weekly and monthly basis, respectively.
9. The Foundation shall at all times retain the full legal authority, control, and fiduciary responsibility over the investment of DAF assets including, but not limited to, asset allocation, selection of investment choices as well as program administration. Recommendations are solely advisory and The Foundation is not bound by these recommendations. Investment in one or more mutual fund options may be limited in order to comply with the overall asset allocation parameters as determined by the Investment Committee.
10. The Investment Committee of The Foundation has the right at any time to change investment objectives and policies of the DAF Investment Program without prior notice to the donor(s) and without the donor's (s') prior approval.
11. There are market risks inherent in mutual fund investments and there can be no assurance against risk of loss. Furthermore, due to market fluctuations, mutual fund options and the Strategic Return Fund are appropriate only for DAF assets that are not needed in the short-term for grants.
12. The Foundation reserves full discretion over the investment of DAF assets and the right to revise or revoke this investment program and revise the policies and administrative procedures for making recommendations for investment of fund assets.

SUCCESSOR APPOINTMENT

For this generation...and generations to come.

DONOR ADVISED FUND (DAF) NAME:

Your Donor Advised Fund may be used to establish a legacy of giving that will last for generations.

Please **choose one or more of five Successor Options** and **indicate your Successor Allocation:**

(1) Successor Recommender, (2) Successor Charity, (3) Successor Endowment, (4) The Foundation’s Permanent Legacy Fund or (5) The Foundation’s Israel Grants.

Option 1 - Successor Recommender. A successor recommender assumes all the privileges of recommendation following the death of the last remaining Account Holder. If there are multiple successors, assets will be divided equally to establish separate DAFs for each successor. A Successor Recommender may designate his or her own successors. Successor DAFs must be funded with a minimum of \$5,000. Successors with an allocated balance under \$5,000 have one year to make additional contributions to reach the \$5,000 minimum or to recommend grants equal to the allocated balance. If a successor (or a legal guardian in the case of a minor) does not exercise either option, the balance will transfer to The Foundation’s Permanent Legacy Fund. Successor recommenders must be 18 years or older to make recommendations or must recommend via a legal guardian. Attach additional sheets if necessary.

Option 2 - Successor Charity. You may recommend IRS-qualified public charities to receive the DAF balance following the death of the last remaining Account Holder. Phone			Phone		

Option 3 - Successor Endowment. You may establish a successor endowment to support IRS-qualified public charities or fields of interest in perpetuity following the death of the last remaining Account Holder. \$25,000 minimum balance required at the time of succession. If you select this option, we will contact you to customize an endowment agreement for you. If the \$25,000 minimum is not met, the balance will be distributed in a one-time, lump sum grant to the fields of interest or named charities in the agreement. If a named charity is no longer a qualified grant recipient at the time of any distribution, the portion designated for that charity will be distributed pursuant to the agreement.

Option 4 - The Foundation’s Permanent Legacy Fund. By designating The Foundation’s Permanent Legacy Fund as your DAF successor, you will support The Foundation’s Cutting Edge Grants (New and Innovative Programs in Jewish L.A.), Next Stage Grants (Capacity Building for Jewish L.A.) and General Community Grants (Helping Angelenos in Need). To view a list of grant recipients, visit www.jewishfoundationla.org/grantsawarded.
