

Ideas for Giving

MARCH 2020

LORI KLEIN

Shalom friends!

I recently joined The Foundation as vice president of the Center for Designed Philanthropy. With more than 25 years of nonprofit and program development experience, I'm excited to share in the joys of giving with you, The Foundation's incredible family of donors.

At the Center, our team learns about hundreds of nonprofits that are impacting our community. As March is Women's History Month, we decided to focus this issue of *Ideas for Giving* on women's empowerment, a cause close to my heart.

Each of the featured organizations provides programs and services to support women in different areas, from health care to leadership development to living lives free from violence and abuse. These organizations enhance the lives of the women they serve and empower them to move forward with confidence.

The Foundation has made grants to several of these organizations. If you're a Foundation donor and would like to learn more or schedule a site visit to see their work in action, please contact me at 323.761.8715 and lklein@jewishfoundationla.org.
