

ACH Enrollment and Authorization

The Jewish Community Foundation of Los Angeles is transitioning our grants processing from check payments to electronic transfers through the Automated Clearing House (ACH). ACH payments will credit directly to your bank account, allowing for faster payments and increased security.

To ensure that your payments continue to be processed in a timely manner, please follow the submission instructions listed below. Please note that any inaccuracies in information provided may result in processing delays. We recommend that you keep a blank form for future use. Should your banking or contact information change, please notify The Foundation to update your record.

Submission Instructions

- 2. Attach a voided check OR a signed bank letter (on bank letterhead) for verification of all banking information**
