

## Ukraine Resource List

*The following list represents well-established organizations with confirmed 501c3 nonprofit status working in humanitarian assistance. For further vetting, additional recommendations or questions, please contact The Foundation's [Center for Designed Philanthropy](#) team at [TheCenter@jewishfoundationla.org](mailto:TheCenter@jewishfoundationla.org).*

*Please include "Ukraine Relief" in the note when making a gift through your Donor Advised Fund. Thank you!*

### Jewish Affiliated Organizations

#### **1. Jewish Federation:**

<https://jewishla.org/donate/ukraine/>

*The Jewish Federation of Greater Los Angeles has launched a Ukraine Relief campaign with 100% of donations going to support the American Jewish Joint Distribution Committee (JDC) and the Jewish Agency for Israel (JAFI). JDC and JAFI are providing a range of vital resources and a toll-free hotline for the vulnerable Jewish Ukrainian population during this time of need.*

#### **2. American Jewish Joint Distribution Committee (JDC)**

<https://www.jdc.org/disasters/ukraine-response/>

*JDC provides a network of Jewish leaders, Jewish community programs, and care services including food and medicine delivery, psychosocial support, and displaced person assistance for vulnerable Jewish children and elderly across Ukraine.*

#### **3. HIAS:**

<https://www.hias.org/hias-responds-crisis-ukraine>

*HIAS, an international refugee agency of the Jewish community, has rushed emergency funding to humanitarian groups on the ground in Ukraine such as Right to Protection (R2P), who are assisting and advocating for those who are displaced amidst the crisis in Ukraine.*

#### **4. IsraAID:**

<https://www.israaid.org/media/israaid-launches-ukraine-refugee-crisis-response-in-moldova/>

*IsraAID, Israel's leading non-governmental humanitarian aid organization, has dispatched an emergency team to Moldova to provide urgent psychological first aid and emergency protection support for vulnerable, newly arrived Ukrainian refugees.*

#### **5. Project Keshet:**

<https://www.projectkeshet.org/>

*Project Keshet is an organization with feminist, Jewish roots that is providing emergency assistance to meet the needs of women and girls in Ukraine, including transportation and accommodations for those who are fleeing, grocery deliveries, emotional support groups, and domestic violence services.*

## Secular Organizations

### **6. International Medical Corps:**

<https://internationalmedicalcorps.org/country/ukraine/>

*International Medical Corps, a preeminent Los Angeles-based first responder that has been operating in eastern Ukraine since 2014, is deploying mobile medical teams to provide healthcare services, psychological support, and COVID-19 awareness and prevention services to communities affected by the ongoing conflict.*

### **7. International Rescue Committee:**

<https://www.rescue.org/article/how-can-i-help-ukraine>

*The IRC, an organization that helps people affected by humanitarian crises to survive, recover, and rebuild their lives, is providing critical aid in the form of food, medical care, and emergency supplies to displaced families in Ukraine.*

### **8. UNICEF:**

<https://www.unicef.org/ukraine/en/emergency-response-conflict-eastern-ukraine>

*UNICEF is supplying safe drinking water, sanitation, health, hygiene and nutrition resources, emergency education, HIV prevention, and protection for children and families caught in the conflict in eastern Ukraine.*

### **9. CARE International:**

<https://www.care.org/news-and-stories/press-releases/humanitarian-crisis-in-ukraine-care-international-provides-emergency-assistance-funding/>

*CARE International, an organization that fights global poverty through emergency response and long-term development projects, is providing food, water, hygiene kits, psychological support, and cash assistance to Ukrainians in need, prioritizing women and girls, families, and the elderly.*

### **10. Direct Relief:**

<https://www.directrelief.org/>

*Direct Relief is distributing medical resources such as sutures, IV fluids, antibiotics, medications for anesthesia, diabetes supplies, and cardiovascular medication to Ukrainian healthcare providers.*
