

WHAT IS THE CENTER FOR DESIGNED PHILANTHROPY?

We're a team of philanthropic advisors with expertise in broad areas. We help develop meaningful giving strategies, assist multigenerational philanthropic families, and offer knowledge in areas of interest such as homelessness, social welfare, early childhood development, Israel, and engagement of all ages and stages in Jewish life.

Our Center for Designed Philanthropy team oversees millions of grant dollars, meets with hundreds of nonprofits each year, and assists donors with funds of all sizes. Our approach is comprehensive, multi-faceted, and personalized.

When you open a Donor Advised Fund, you have complimentary access to our team. We will help you explore your interests and meet your giving goals.
