## Successor Appointment

DONOR ADVISED FUND (DAF) NAME

FUND NUMBER

**Your Donor Advised Fund may be used to establish a legacy of giving that will last for generations.**

Please **choose one or more of five Successor Options** and **indicate your Successor Allocation: (1) The Foundation's Permanent Legacy Fund, (2) The Foundation's Israel Grants, (3) Successor Endowment, (4) Successor Charity or (5) Successor Recommender.**

- ☐ **Option 1 – The Foundation's Permanent Legacy Fund.** By designating The Foundation's Permanent Legacy Fund as your DAF successor, your funds will support the advancement and well-being of the Jewish community in Los Angeles, including Jewish education, culture, efforts to combat antisemitism, and critical social services such as mental and physical health support, financial stability, and community connection.
- ☐ **Option 2 – The Foundation's Israel Grants.** By designating The Foundation's Israel Grants as your DAF successor, your funds will support the most urgent needs in Israel, from mental health and trauma support, to feeding the hungry, to economic development and creating new job opportunities.
- ☐ **Option 3 – Successor Endowment.** You may establish a successor endowment to support IRS-qualified public charities or fields of interest in perpetuity following the death of the last remaining Account Holder. \$25,000 minimum balance is required at the time of succession. If you select this option, we will contact you to customize an Endowment Agreement for you. If the \$25,000 minimum is not met, the balance will be distributed in a one-time, lump sum grant to the fields of interest or named charities in the agreement. If a named charity is no longer a qualified grant recipient, the portion designated for that charity will be distributed pursuant to the agreement.
- ☐ **Option 4 – Successor Charity.** You may recommend IRS-qualified public charities to receive the DAF balance following the death of the last remaining Fund Holder. If a named entity is no longer a qualified grant recipient at the time of distribution, the portion designated for that entity will be distributed to The Foundation's Permanent Legacy Fund. Please use additional sheets if necessary.

- ☐ **Option 5 – Successor Recommender.** A successor recommender assumes all the privileges of recommendation following the death of the last remaining Fund Holder. If there are multiple successors, assets will be divided equally to establish separate DAFs for each successor. A Successor Recommender may designate his or her own successors. Successor DAFs must be funded with a minimum of \$5,000. Successors with an allocated balance under \$5,000 have one year to make additional contributions to reach the \$5,000 minimum or to recommend grants equal to the allocated balance. If a successor (or a legal guardian in the case of a minor) does not exercise either option, the balance will transfer to The Foundation's Permanent Legacy Fund. Successor recommenders must be 18 years or older to make recommendations or must recommend via a legal guardian. Attach additional sheets if necessary.
