LOS ANGELES RESILIENCE

Community Impact Fund

The Los Angeles Resilience Fund reflects our community's commitment to Tikkun Olam (repairing the world) – by providing life-saving direct hardship relief assistance to individuals and families when they need it most. Partnering with trusted social service providers, this fund offers emergency assistance to help individuals and families get back on their feet during a crisis, secure housing, address emergency medical needs, avoid crushing high-interest debt, and find employment.

Through our LA Resilience Fund, we are proud to invest over $1 million each year to support those most in need in the community, offering a crucial lifeline to those navigating homelessness, youth aging out of foster care, low-income seniors, families struggling to make ends meet, survivors of domestic violence, veterans, vulnerable LGBTQ+ individuals, and more.

You can learn more about our grantees supported through this Fund on the following pages. Every organization has been carefully vetted by The Foundation, and 100% of contributions to the Fund go directly to these nonprofits. You can support this vital work by making a gift through Your Giving Portal to the "Los Angeles Resilience Community Impact Fund."
