SUPPORTING ISRAEL

Community Impact Fund

As Israel continues to recover and rebuild in the aftermath of October 7, The Foundation remains a committed partner, supporting essential services, helping communities recover, and ensuring that families, soldiers, and vulnerable populations have the resources they need to move forward. Our support reflects a long-term commitment to a strong, resilient, and hopeful future for Israel.

Through the Supporting Israel Fund, we invest an average of $1.5 million annually in trusted nonprofits addressing Israel's most pressing needs. Our funding supports vulnerable populations across the country through high-impact programs focused on the following Foundation and client priorities:

Mental Health & Resilience

Economic Development

Social Cohesion

You can learn more about our grantees supported through this Fund on the following pages. Every organization has been carefully vetted by The Foundation, and 100% of contributions to the Fund go directly to these nonprofits. You can support this vital work by making a gift through **your DAF** to the Fund as a whole, or to a specific priority area from the list above.
